### **How to join Webinar:**

Please refer to your invitation email for an automatic link to the Webinar. Then input your password/code and you are signed in. Invitation emails will be sent in early January.

Please, take the time to complete a very short survey at the end of the session. It will help us greatly in organizing other webinars for the future!

Finally, we hope you enjoy this innovative mode of delivering the February meeting to you!

### **Educational Hours:**

Certificate of Attendance will be available to those who have completed the webinar. Simply email Sandra Rivas and/or Angela Russell to confirm attendance **within one week** after the webinar. Education slips will then be available for pick up at the next General Meeting (April 2012). Emails received after this cut off will **not** be accepted.

**How to view this webinar:**

**There are many creative ways to view this webinar,**

**1) From home and alone.**

It is convenient, comfortable and safe! (no driving!!)

**2) From home and with company!**

You can make a nice evening of this webinar! Invite some of your colleagues to join you at your house! Members and non-members could be included in the group. This will hopefully motivate the non-members to join ORNAHD, or at the very least, will provide with educational hours.

**3) From your institution!**

Book a room with internet access with your educator or manager for that evening!

Invite other members and non-members to join in to watch the webinar!
